

Skyline Cedar — Alabaster

Skyline Collection

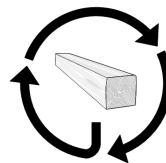

Product Information

Refaced and given a cool, alabaster wash, our vintage water tower Cedar assumes a modern, Scandinavian look. This subtle finish mellows the bright, blonde tones while accentuating the fine grain, narrow cathedrals, and tight pin knots characteristic of Cedar.

Source

Reclaimed from NYC rooftop water towers, landmarks of the iconic NYC skyline.

Impact

Historic material re-use and local manufacturing support a circular economy and reduces a building project's carbon footprint.
