

Skyline Cedar — Shou Sugi Ban Bronze

Skyline Collection

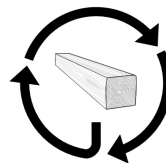

Product Information

To produce this elegant surface with its antiqued bronze tone and velvet sheen, our reclaimed Cedar is charred in the traditional Japanese style, then hand brushed to expose the texture of the grain. This product is sealed for indoor or outdoor use, and retains the additional protective properties imparted by charring.

Source

Reclaimed from NYC rooftop water towers, landmarks of the iconic NYC skyline.

Impact

Historic material re-use and local manufacturing support a circular economy and reduces a building project's carbon footprint.
