

American Chestnut — Natural Countryside Collection

Product Information

This treasured species was used extensively for the construction of agricultural structures until the 20th century. Today, old-growth American Chestnut is only available through reclamation. Our warm Natural finish accentuates the coffee tones, rippling grain, and trademark wormholes characteristic of this refined hardwood.

Source

Reclaimed hardwoods from pre-industrial timber-frame structures throughout the Northeast.

Impact

Historic material re-use and local manufacturing support a circular economy and reduces a building project's carbon footprint.

American Chestnut — Natural

Countryside Collection

Flooring & Cladding

SELECT YOUR SPECS

Format	Construction	Profile	Edge	Thickness	Width	Length
Flooring	Solid	Tongue & Groove	Square Edge	3/4"	4", 5", 6" Mixed	2' - 7'

Common Spec*

Flooring | Solid | Tongue & Groove | Micro Bevel | 3/4" Thickness | 4", 5", 6" Mixed Width | 2' - 12' Lengths

SOLID WOOD

Made from a single piece of wood. Honest, true, and long-lasting.

2-LAYER ENGINEERED

Top layer of solid wood bonded to an FSC® Certified plywood substrate.

FINISH

We apply green finishes by hand to bring out the natural beauty of wood with added durability and easy maintenance.

CUSTOMIZATION

Go beyond the standards to create custom specifications including dimension, finish, and profile.

PATTERNS

We offer a variety of patterns such as chevron and herringbone, tailored to suit the dimensions of each room.

SUPPORT

We are part of your project team, working collaboratively before and after the order arrives on site to ensure smooth project delivery.
