

American Chestnut — Noble Brown

Countryside Collection

Product Information

Its stately appearance and stable nature made American Chestnut a desirable building material for centuries. We offer this rare wood in a distinguished, deep brown finish that accentuates its majestic grain and characteristic wormholes.

Source

Reclaimed hardwoods from pre-industrial timber-frame structures throughout the Northeast.

Impact

Historic material re-use and local manufacturing support a circular economy and reduces a building project's carbon footprint.

American Chestnut — Noble Brown

Flooring | Solid | Tongue & Groove | Micro Bevel | 3/4" Thickness | 4", 5", 6" Mixed Width | 2' - 12' Lengths

SOLID WOOD

Made from a single piece of wood. Honest, true, and long-lasting.

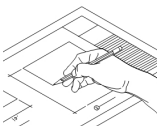

2-LAYER ENGINEERED

Top layer of solid wood bonded to an FSC® Certified plywood substrate.

FINISH
We apply green finishes by hand to bring out the natural beauty of wood with added durability and easy maintenance.

CUSTOMIZATION
Go beyond the standards to create custom specifications including dimension, finish, and profile.

PATTERNS
We offer a variety of patterns such as chevron and herringbone, tailored to suit the dimensions of each room.

SUPPORT
We are part of your project team, working collaboratively before and after the order arrives on site to ensure smooth project delivery.
