

# American Chestnut — Noble Brown

## Countryside Collection

### Product Information

Its stately appearance and stable nature made American Chestnut a desirable building material for centuries. We offer this rare wood in a distinguished, deep brown finish that accentuates its majestic grain and characteristic wormholes.

### Source

Reclaimed hardwoods from pre-industrial timber-frame structures throughout the Northeast.

### Impact

Historic material re-use and local manufacturing support a circular economy and reduces a building project's carbon footprint.
