

# Antique White Oak – Natural Countryside Collection

## Product Information

With its exceptional durability and pronounced grain, White Oak has long been a traditional choice for beautiful, hardwearing floors. Our Natural finish evokes the warm, golden, and straw notes of hand-oiled Oak. Original checks and nail marks reveal the character and history of reclaimed White Oak.

## Source

Reclaimed hardwoods from pre-industrial timber-frame structures throughout the Northeast.

## Impact

Historic material re-use and local manufacturing support a circular economy and reduces a building project's carbon footprint.

### Common Spec\*

Flooring | Solid | Tongue & Groove | Micro Bevel | 3/4" Thickness | 4", 5", 6" Mixed Width | 2' - 12' Lengths

SOLID WOOD

Made from a single piece of wood. Honest, true, and long-lasting.

2-LAYER ENGINEERED

Top layer of solid wood bonded to an FSC® Certified plywood substrate.

### FINISH

We apply green finishes by hand to bring out the natural beauty of wood with added durability and easy maintenance.

### CUSTOMIZATION

Go beyond the standards to create custom specifications including dimension, finish, and profile.

### PATTERNS

We offer a variety of patterns such as chevron and herringbone, tailored to suit the dimensions of each room.

### SUPPORT

We are part of your project team, working collaboratively before and after the order arrives on site to ensure smooth project delivery.
