

Antique White Oak — Neutral

Countryside Collection

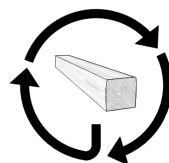

Product Information

Our Neutral finish preserves the classic look of untreated White Oak. This robust hardwood displays its light to muted brown tones and dynamic grain figure beneath a cool, grayish cast. Occasional darkened knots and nail marks add character and signal the wood's rich history.

Source

Reclaimed hardwoods from pre-industrial timber-frame structures throughout the Northeast.

Impact

Historic material re-use and local manufacturing support a circular economy and reduces a building project's carbon footprint.
