

Antique White Oak — White Wash

Countryside Collection

Product Information

A sophisticated White Wash gives our reclaimed White Oak a tranquil, uniform look. This modern finish subdues the lively grain figure and softens the appearance of all but the most prominent of character marks.

Source

Reclaimed hardwoods from pre-industrial timber-frame structures throughout the Northeast.

Impact

Historic material re-use and local manufacturing support a circular economy and reduces a building project's carbon footprint.

 Flooring | Solid | Tongue & Groove | Micro Bevel | 3/4" Thickness | 4", 5", 6" Mixed Width | 2' - 12' Lengths

SOLID WOOD

Made from a single piece of wood. Honest, true, and long-lasting.

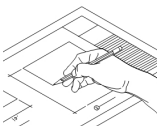

2-LAYER ENGINEERED

Top layer of solid wood bonded to an FSC® Certified plywood substrate.

FINISH

We apply green finishes by hand to bring out the natural beauty of wood with added durability and easy maintenance.

CUSTOMIZATION

Go beyond the standards to create custom specifications including dimension, finish, and profile.

PATTERNS

We offer a variety of patterns such as chevron and herringbone, tailored to suit the dimensions of each room.

SUPPORT

We are part of your project team, working collaboratively before and after the order arrives on site to ensure smooth project delivery.
