

Heart Pine – Neutral

Industry Collection

Product Information

This ancient American species has long been revered for its density, minimal knots, and narrow, high-contrast grain. Our subtle Neutral finish preserves the appearance of unfinished Heart Pine, with its characteristic golden tones and luminous quality.

Source

Reclaimed from 19th-century heavy timber industrial structures in the Northeast.

Impact

Historic material re-use and local manufacturing support a circular economy and reduces a building project's carbon footprint.
