

# Antique White Oak – Neutral Countryside Collection

## Product Information

Our Neutral finish preserves the classic look of untreated White Oak. This robust hardwood displays its light to muted brown tones and dynamic grain figure beneath a cool, grayish cast. Occasional darkened knots and nail marks add character and signal the wood's rich history.

## Source

Reclaimed hardwoods from pre-industrial timber-frame structures throughout the Northeast.

## Impact

Historic material re-use and local manufacturing support a circular economy and reduces a building project's carbon footprint.
