

# Black Cherry — Natural

## Watershed Collection

## Product Information

Cherry is a hardwood that has long been prized in our region's rich history of craft. The timber of this fruit-bearing tree has a refined grain and a golden hue that grows more luminous with age, a quality underscored by our Natural finish.

## Source

Harvested from Northeast forests in coordination with sustainable management plans that support long-term forest health & biodiversity.

## Impact

Timber from regenerative forestry practices in regional working forests supports clean water, clean air, and habitat for wildlife.
