

# Black Walnut — Natural

## Countryside Collection

### Product Information

A classic choice for sophisticated furniture and surfaces, Black Walnut in our Natural finish reveals the distinguished grain and rich dark chocolate tones with flourishes of caramel and creamy blonde.

### Source

Harvested from Northeast forests in coordination with sustainable management plans that support long-term forest health & biodiversity.

### Impact

Timber from regenerative forestry practices in local working forests support conservation, resilience, and green jobs.

Flooring | Solid | Tongue & Groove | Micro Bevel | 3/4" Thickness | 4", 5", 6" Mixed Width | 2' - 12' Lengths

SOLID WOOD

Made from a single piece of wood. Honest, true, and long-lasting.

2-LAYER ENGINEERED

Top layer of solid wood bonded to an FSC® plywood substrate.

### FINISH

We apply green finishes by hand to bring out the natural beauty of wood with added durability and easy maintenance.

### CUSTOMIZATION

Go beyond the standards to create custom specifications including dimension, finish, and profile.

### PATTERNS

We offer a variety of patterns such as chevron and herringbone, tailored to suit the dimensions of each room.

### SUPPORT

We are part of your project team, working collaboratively before and after the order arrives on site to ensure smooth project delivery.
