

# Black Walnut — Natural

## Countryside Collection

### Product Information

A classic choice for sophisticated furniture and surfaces, Black Walnut in our Natural finish reveals the distinguished grain and rich dark chocolate tones with flourishes of caramel and creamy blonde.

### Source

Harvested from Northeast forests in coordination with sustainable management plans that support long-term forest health & biodiversity.

### Impact

Timber from regenerative forestry practices in local working forests support conservation, resilience, and green jobs.

### Common Spec\*

Multi-Piece Top | Hand Eased Profile | 1-1/2" Thickness

\*include sketch to indicate overall dimensions, shape, and cutout locations

SINGLE-PIECE SLAB

Made by sawing select logs all the way through, these large-scale solid surfaces show the unique character of each tree and are available with a live edge or custom edge profile.

MULTI-PIECE TOP

Made of edge-glued solid wood pieces to create dynamic solid surfaces, these tops are versatile and customizable.

STAIR TREAD & RISER

Our single-piece or glue-up solid wood stair components are durable and customizable.
