

Maple — Pearl

Watershed Collection

Product Information

Maple trees yield a robust timber well suited for even the most hard-wearing interior applications. One of the lightest tones in our catalog, this Maple has a clean, contemporary, matte finish that highlights the subtle character of the wood grain.

Source

Harvested from Northeast forests in coordination with sustainable management plans that support long-term forest health & biodiversity.

Impact

Timber from regenerative forestry practices in regional working forests supports clean water, clean air, and habitat for wildlife.

	3-Layer Engineered		Hand Eased			7' -12'

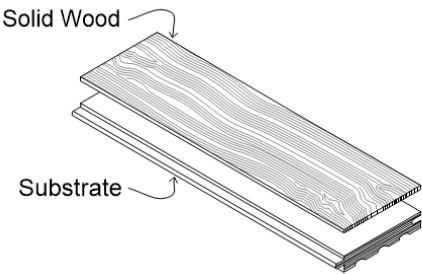

Common Spec*

Flooring | Solid | Tongue & Groove | Micro Bevel | 3/4" Thickness | 4", 5", 6" Mixed Width | 2'- 12' Lengths

SOLID WOOD

Made from a single piece of wood. Honest, true, and long-lasting.

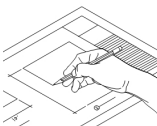

2-LAYER ENGINEERED

Top layer of solid wood bonded to an FSC® plywood substrate.

FINISH

We apply green finishes by hand to bring out the natural beauty of wood with added durability and easy maintenance.

CUSTOMIZATION

Go beyond the standards to create custom specifications including dimension, finish, and profile.

PATTERNS

We offer a variety of patterns such as chevron and herringbone, tailored to suit the dimensions of each room.

SUPPORT

We are part of your project team, working collaboratively before and after the order arrives on site to ensure smooth project delivery.
