

# Skyline Cedar — Alabaster

## Skyline Collection

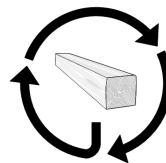

## Product Information

Refaced and given a cool, alabaster wash, our vintage water tower Cedar assumes a modern, Scandinavian look. This subtle finish mellows the bright, blonde tones while accentuating the fine grain, narrow cathedrals, and tight pin knots characteristic of Cedar.

## Source

Reclaimed from NYC rooftop water towers, landmarks of the iconic NYC skyline.

## Impact

Historic material re-use and local manufacturing support a circular economy and reduces a building project's carbon footprint.
