

# White Oak – Travertine

## Countryside Collection

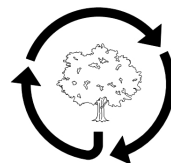

### Product Information

The warmth and dynamic grain figure of this classic hardwood is accentuated with our Travertine finish. Its subdued grayish cast creates a sense of balance and a vibrant likeness to the rock and mountain that inspired the look.

### Source

Harvested from Northeast forests in coordination with sustainable management plans that support long-term forest health & biodiversity.

### Impact

Timber from regenerative forestry practices in local working forests support conservation, resilience, and green jobs.
