# White Pine — Alabaster
## Watershed Collection

150 MILE RADIUS
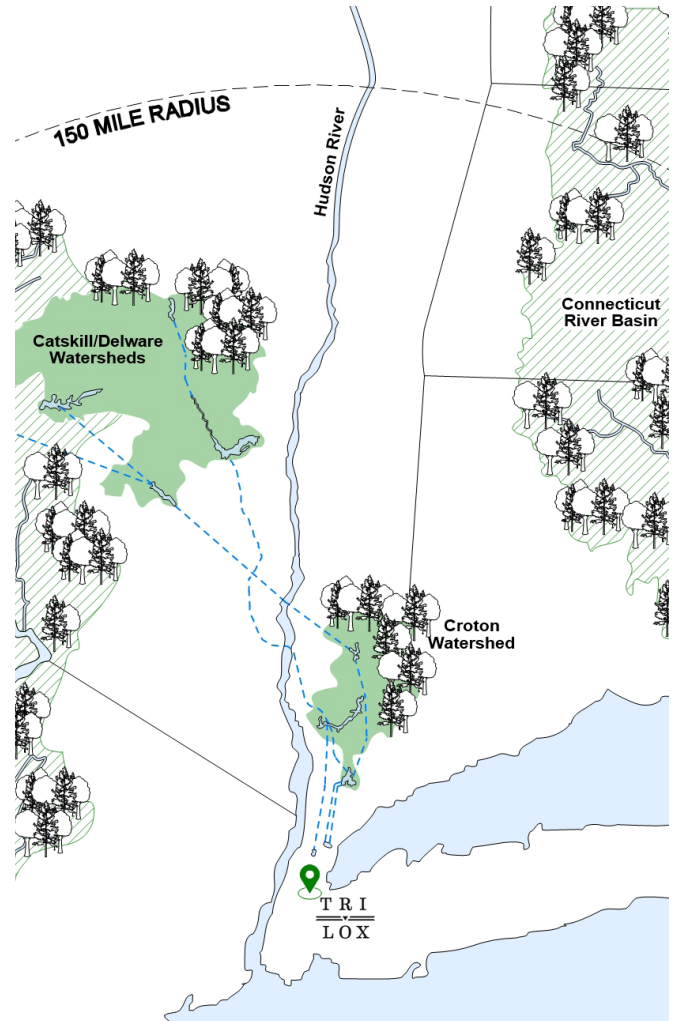

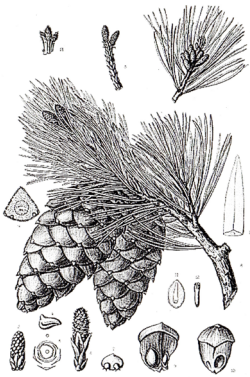

Hudson River

Catskill/Delware Watersheds

Connecticut River Basin

Croton Watershed

TRI LOX

## Product Information

The Eastern White Pine has been revered for centuries both as a tree and a building material. Even with this storied history of use—from ship masts to timber frame structures to flooring and furniture—the wood still delivers a contemporary aesthetic. Our Alabaster finish showcases the elegant cathedral grain, while giving the material a matte, clean surface.

SUSTAINABLE FORESTRY INITIATIVE
SFI-01708

## Source

Harvested from Northeast forests in coordination with sustainable management plans that support long-term forest health & biodiversity.

## Impact

Timber from regenerative forestry practices in regional working forests supports clean water, clean air, and habitat for wildlife.
