

# White Pine – Neutral Watershed Collection

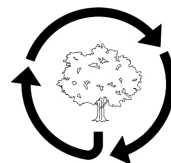

## Product Information

“There is no finer tree,” according to Henry David Thoreau. The Eastern White Pine is a towering figure in both the ecosystem of our Northeast forests and the history of North America’s built environment. This Neutral finish bestows an elegant flaxen tone with minimalism and authenticity.

## Source

Harvested from Northeast forests in coordination with sustainable management plans that support long-term forest health & biodiversity.

## Impact

Timber from regenerative forestry practices in regional working forests supports clean water, clean air, and habitat for wildlife.
