

White Oak — Neutral

Countryside Collection

Product Information

This versatile, hard-wearing White Oak is sourced from sustainably managed working forests in our Northeast region. Our Neutral finish celebrates the dynamic grain and warmth of the wood while the subdued tone works across a full range of classic and contemporary designs.

Source

Harvested from Northeast forests in coordination with sustainable management plans that support long-term forest health & biodiversity.

Impact

Black Locust from regenerative forestry practices in regional working forests is a sustainable local alternative to tropical hardwoods.
